

Briarwick HOA Approved House Paint Colors

Not all colors on the color palette are approved. Generally speaking, the first three lighter colors are for walls, and the the darker colors are reserved for trim. For colors not shown as approved on this list, paint a 2'x2' section on the side of your house, so that the ARB can view the color(s).

As approved on 09/18/2012. updated: Apr. 9, 2014	**Numbers listed starting with "SW" are Sherwin Williams Paint Colors. You may use other paint brands that match these colors			Other recent approvals are appended at bottom
